Dear Sirs:

In response to your letter of September 2, 1992 regarding the installation of another tower. As to this proposal we do not wish this tower to be constructed. We are planning to build a home on this property in the future, as you are probably aware there is already one tower on the property. We have two children and the one tower is already of great concern to us as to lightning striking it, of the possibility of it falling, and other such mishaps. We do not need to have two towers to worry about. We would appreciate any help in this matter as to stopping to construction of said tower.

Jerry A. Johnson
